BIOGRAPHY

Alexander Gunz Fund Manager Alex joined Heptagon Capital in January 2011. His role includes managing the Heptagon Future Trends Equity Fund, as well as involvement in Heptagon's multimanager programme for discretionary clients. Alex started his career in financial services in 1997, working for Hoare Govett as an analyst before moving to Credit Suisse where he became a top-ranked analyst covering European telecoms operators. Following Credit Suisse and before joining Heptagon Capital, Alex held senior roles at JP Morgan and Friedman Billings and Ramsey. Alex has a degree in Philosophy, Politics and Economics from Worcester College, University of Oxford and a Masters in English Literature from Queen Mary College, University of London. Alex also has an Honours Diploma in Wine and is a published novelist.

JIt is not the strongest of the species that survive, nor the most intelligent but the ones most responsive to change.

APPENDICES

EXTENSIVE THEMATIC LIBRARY

ONGOING DUE DILIGENCE

~100 corporate interactions annually as well as trade shows; both real world and virtual

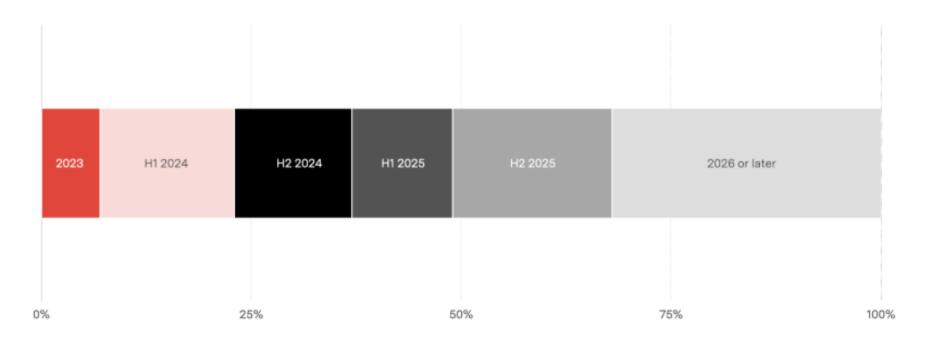

AVOID THE HYPE

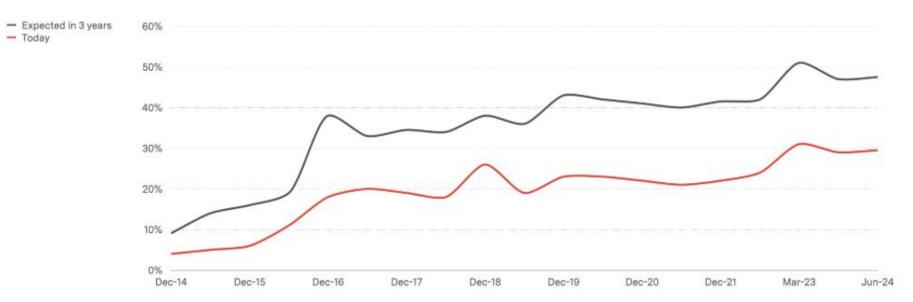

I A quarter of CIOs have launched *some form* of LLM projects, but half don't plan anything for at least a year

CIO expected timing for first LLM projects in production, August 2024

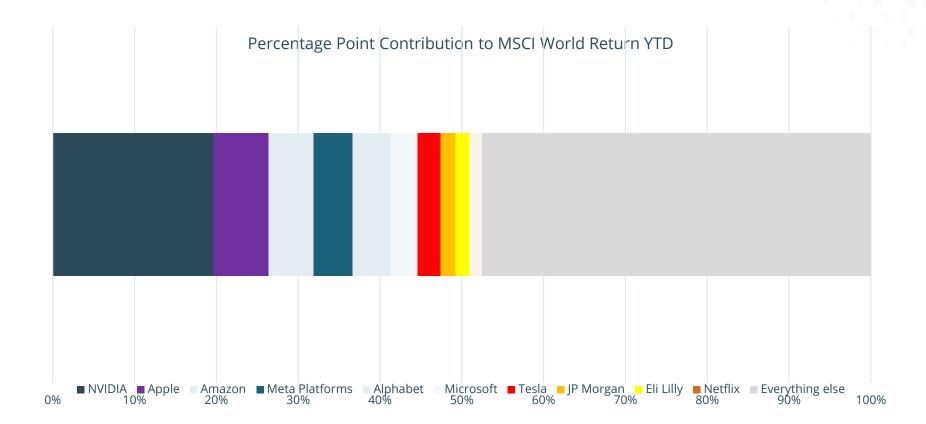

THE FUTURE CAN TAKE A LONG TIME

I Cloud is old and boring – but still only 30% of workflows

Enterprise workloads in public cloud

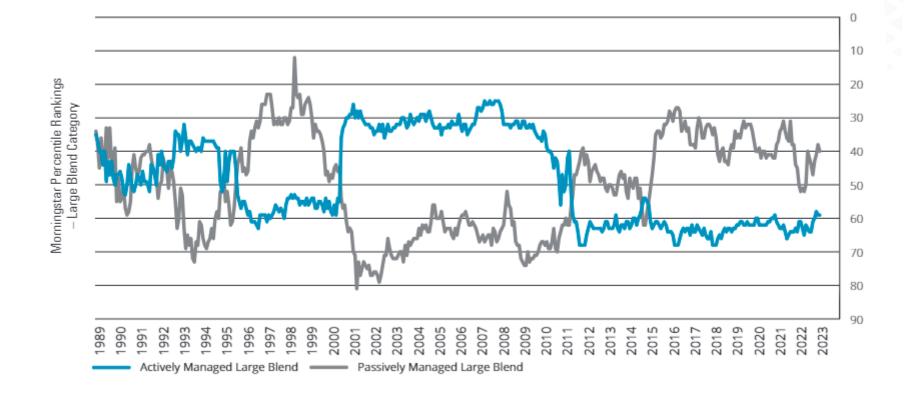

I ~50% of the MSCI World's return has come from 7 and over 50% from just 10 stocks. NVIDIA alone has accounted for 20% of the market's return

Past performance is no guide to future performance and the value of investment and income from them can fall as well as rise.

Source: FactSet, Heptagon Capital For illustrative purposes only

I Active and passive outperformances are cyclical (rolling monthly 3-year periods, 1989-2023)

Past performance is no guide to future performance and the value of investment and income from them can fall as well as rise.

I Future Trends integrates ESG strategies from across Heptagon's sustainable investing framework as an intrinsic part of the investment process.

SFDR Classification Article 8

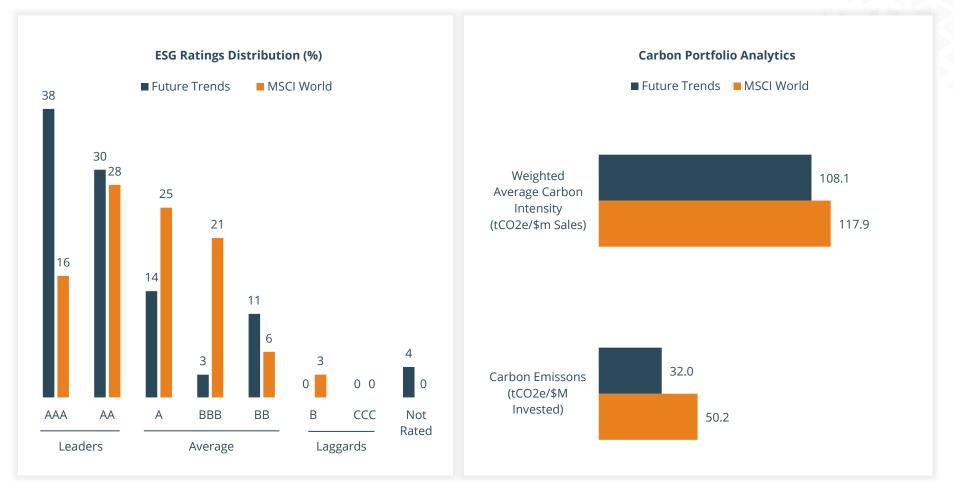

as of 31/12/2024

Past performance is no guide to future performance and the value of investment and income from them can fall as well as rise.

FUND ESG POSITIONING

I Enhanced Future Trends risk adjusted returns and improved ESG characteristics vs MSCI World

68% of the portfolio is invested in ESG Leaders and the weighted average carbon intensity is 6% below the benchmark

Past performance is no guide to future performance and the value of investment and income from them can fall as well as rise.

Source: Heptagon Capital, Calculated on MSCI Analytics, MSCI ESG Research as of 30/09/2024. ESG Ratings are on a scale of AAA to CCC. MSCI Carbon Metrics include Scope 1+2 emissions and are based on a \$1,000,000,000 portfolio allocation. ESG Ratings and Carbon Analytics cover equities held in the portfolio only.

DISCLAIMER

Heptagon Capital Limited, Heptagon Capital LLP and its affiliate companies and its members, officers, employees, agents and advisors disclaim any and all liability relating to these materials, except to the extent required by applicable law or regulations, including, without limitation, any express or implied representations or warranties for statements or errors contained in, and omissions from, these materials. Certain assumptions have been made, and/or parameters set, in the preparation of these materials which have resulted in the returns detailed herein, and no representation or warranty is made that any returns indicated will be achieved. Changes to assumptions or parameters may have a material impact on the returns detailed. This document should not be copied to any other person without our express consent. This document should not be considered an offer to buy or sell investments.

Heptagon Capital Limited has issued this communication as investment manager for Heptagon Fund ICAV (the "ICAV"), an umbrella fund with segregated liability between sub-funds (the "Funds") and authorised pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011, as amended, and is licensed to conduct investment services by the Malta Financial Services Authority. Heptagon Capital LLP is authorised and regulated in the UK by the Financial Conduct Authority and is the sub-investment manager for a number of the Funds.

The results given in this document are based solely upon historical fund performance as gathered and supplied by MSCI, Bloomberg, Morningstar, FactSet, United Nations, Company Reports, SIG Combibloc, Prologis, US Census Bureau, Brown Brothers Harriman Fund Administration Services (Ireland) Limited, the ICAV's administrator. That past performance has not been independently verified by either Heptagon Capital Limited or Heptagon Capital LLP. It is not intended to predict or depict the future performance of any investment.

The information contained herein is provided for informational purposes only, is not complete, and does not contain certain material information about the Funds, including important disclosures and risk factors associated with an investment in the Funds. Before making an investment in any Fund, prospective investors are advised to thoroughly and carefully review the ICAV's <u>Prospectus</u> (the "Prospectus") as well as the supplement to the Prospectus for the Fund and the Fund's key investor information document with their financial, legal and tax advisors to determine whether an investment is suitable for them. An investment in the Funds is not suitable for all investors.

The distribution of information contained herein and the sale of shares in the Funds may be subject to legal or regulatory restrictions in certain countries in which applicants for shares are resident or of which they are citizens. In particular, neither the shares in the Funds nor the Funds themselves have been registered under any United States ("US") Securities legislation and are not available for purchase by US persons (as defined in the Prospectus).

The Heptagon Future Trends Equity Fund has been categorised as an Article 8 for the purposes of the EU's Sustainable Finance Disclosure Regulation. The Heptagon Future Trends Equity Fund promotes environmental and/or social characteristics but does not have sustainable investment as its primary objective. It might invest partially in assets that have a sustainable objective, for instance assets that are qualified as sustainable according to EU classifications but does not place significantly higher importance on the environmental objective of each underlying investment. Please see <u>Prospectus</u> and supplement for the Heptagon Future Trends Equity Fund's environmental and/or social characteristics and relevant sustainability risks and principal adverse impacts which may impact the Heptagon Future Trends Equity Fund 's performance.

Heptagon Capital (DIFC) Limited is registered in the Dubai International Financial Centre ("DIFC") with No. 7480 and regulated by the Dubai Financial Services Authority ("DFSA"), reference number F008730, for the provision of the Financial Services of Advising on Financial Products and Arranging Deals in Investments.

Heptagon Capital (DIFC) Limited's registered office is at Unit 512, Level 5, Index Tower, Dubai International Financial Centre, Dubai, United Arab Emirates. All communications and services are directed at Professional Clients only. Persons other than Professional Clients as defined in the DFSA Conduct of Business Rule 2.3.2, such as any Person who is classified as Retail Client, are NOT the intended recipients of our communications or services.

Heptagon Capital (DIFC) Limited represents that the units/shares of any Fund referred to in this document shall not be offered, sold or publicly promoted or advertised in the DIFC other than in compliance with the applicable DIFC laws and DFSA rules and regulations governing the issue, offering and sale of units/shares in foreign domiciled funds.

DISCLAIMER

Source: MSCI. This report contains information (the "Information") sourced from MSCI Inc., its affiliates or information providers (the "MSCI Parties") and may have been used to calculate scores, ratings or other indicators. The Information is for internal use only, and may not be reproduced/redisseminated in any form, or used as a basis for or a component of any financial instruments or products or indices. The MSCI Parties do not warrant or guarantee the originality, accuracy and/or completeness of any data or Information herein and expressly disclaim all express or implied warranties, including of merchantability and fitness for a particular purpose. The Information is not intended to constitute investment advice or a recommendation to make (or refrain from making) any investment decision and may not be relied on as such, nor should it be taken as an indication or guarantee of any future performance, analysis, forecast or prediction. None of the MSCI Parties shall have any liability for any errors or omissions in connection with any data or Information herein, or any liability for any direct, indirect, special, punitive, consequential or any other damages (including lost profits) even if notified of the possibility of such damages. This disclosure was developed using information from MSCI ESG Research LLC or its affiliates or information providers. Although Heptagon Fund ICAV information providers, including without limitation, MSCI ESG Research LLC and its affiliates (the "ESG Parties"), obtain information (the "Information") from sources they consider reliable, none of the ESG Parties warrants or guarantees the originality, accuracy and/or completeness, of any data herein and expressly disclaim all express or implied warranties, including those of merchantability and fitness for a particular purpose. The Information may only be used for your internal use, may not be reproduced or redisseminated in any form and may not be used as a basis for, or a component of, any financial instruments or products or indices. Further, none of the Information can in and of itself be used to determine which securities to buy or sell or when to buy or sell them. None of the ESG Parties shall have any liability for any direct, indirect, special, punitive, consequential or any other damages (including lost profits) even if notified of the possibility of such damages.

The Global Industry Classification Standard ("GICS") was developed by and is the exclusive property and a service mark of MSCI Inc. ("MSCI") and S&P Global Market Intelligence ("S&P") and is licensed for use by Heptagon Fund ICAV. Neither MSCI, S&P, nor any other party involved in making or compiling the GICS or any GICS classifications makes any express or implied warranties or representations with respect to such standard or classification (or the results to be obtained by the use thereof), and all such parties hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability and fitness for a particular purpose with respect to any of such standard or classification. Without limiting any of the foregoing, in no event shall MSCI, S&P, any of their affiliates or any third party involved in making or compiling the GICS or any GICS classifications have any liability for any direct, indirect, special, punitive, consequential or any other damages (including lost profits) even if notified of the possibility of such damages.

For all definitions of the financial terms used within this document, please refer to the glossary on our website: https://www.heptagon-capital.com/glossary

Past performance is no guide to future performance and the value of investment and income from them can fall as well as rise.
