PRESS RELEASE
2nd November 2026

Heptagon Capital appoints Jens Henrik Johansen as Head of Product Development

London – November 2, 2026, Heptagon Capital ("Heptagon"), a London-based asset management firm, is pleased to announce the appointment of Jens Henrik Johansen as Head of Product Development. Jens Henrik will lead the strategy and launch of investment products across both liquid and illiquid asset classes, alongside the origination of partnerships, as the firm continues to broaden its offering for institutional and ultra-high-net-worth investors.

Jens brings 25 years of experience in alternative investments, having worked in capital formation as well as an allocator, with responsibility for both investing and capital raising. Most recently, he was a Partner at Bury Street Capital. Before that, he held roles at Advantage Investment Partners, AP Moller Holding, I Squared Capital, PKA and IIP, as well as Bain & Co. Jens holds an M.Sc. in Economics from the University of Copenhagen and an MBA from INSEAD.

Heptagon's Managing Partners commented: "*We are delighted to welcome Jens Henrik Johansen to Heptagon. His deep experience across alternative investments, from both the investor and the manager side, makes him ideally placed to lead the next phase of our product development. As client needs continue to evolve, Jens will play a central role in bringing differentiated, high-conviction opportunities to our clients across both public and private markets*."

About Heptagon Capital

Heptagon was founded in 2005 by former Morgan Stanley directors, including Eran Ben-Zour, Tarek Mooro and Fredrik Plyhr, and provides institutional and ultra-high-net-worth investors with creative, class-leading investment opportunities across traditional and alternative asset classes. Operating across five offices, Heptagon Capital serves a broad client base throughout Europe and the Middle East, advising on and managing more than $18 billion in assets.
